## A message from our General Manager

We are so excited to finally have the Windance Member Guest Tournament starting today at 5. We are happy to be putting on the best event ever this year and look forward to

hosting you and your guests throughout the weekend. The Par 3 Shootout kicks things off tonight and the course is closed for play until Sunday at 3. The pool and View @ 19 are still open regular hours for those not playing in the tournament. We have the best tee gifts ever, increased the purses for both the Par and 4-ball competitions, doubled the closest to the pin amounts, and added putting and chipping contests. Saturday and Sunday are the matches within the flights and that will end with a shootout of the flight winners on Sunday afternoon on the 18th fairway. The putting and chipping contests will see the winner and runner up in each getting to choose a putter or wedge from the Pro Shop respectively. Chef LaTonya and Tina have the kitchen in high gear with a breakfast buffet and omelet station for breakfast both days, box lunches on Saturday, and then to cap things off a prime rib dinner in the View @ 19 Sunday afternoon. Good luck to all the participants and I promise you will have a great weekend showcasing your club.

The parking lot resurfacing is tentatively scheduled for the days we are closed for aerification to minimize inconvenience to our members, so we will be very busy around here August 14-17. The Mississippi State 4-Ball Championship will be held here at Windance August 11 through 13, so we will be hosting golfers from all over the state once again and they really appreciate how friendly our members are based on the comments we received from the Women's Amateur competitors.

Looking forward to a special weekend,

Mike
